Resident Testimonial

For the past five years, I have been proud to call Port Credit Residences 'home'.

The staff here are unfailingly pleasant and accommodating. The Life Enrichment staff members keep us busy with interesting and educational programs, our meals are well-prepared and varied, the nursing staff are so attentive and caring, and the building is always well maintained and clean.

In short, I am a very happy camper and am truly grateful to be living here. The fact that my family can come and visit me often is an added attraction.

My thanks to the management and staff for making my 'golden years' some of the best days of my life.
