Heart Disease and Stroke: What you need to know

Date: Tuesday February 18th at 3:00pm

Location: 820 Scollard Court, Mississauga

Don't miss this opportunity to hear from an expert guest speaker on the critical topics of heart disease and stroke. Learn about risk factors, prevention strategies, and how to protect your health. This is a must attend session for anyone looking to better understand cardiovascular health. Bring your questions and get the answers you need. We look forward to seeing you there.

Call 905-502-8882 to reserve your spot.
