Testimonial

We can see why you love it so much at Riverwalk - beautiful surroundings, all the conveniences you could want, and friendly staff & residents, lots of different activities and outings, PLUS, good food!!! The outing was fantastic - I felt like I was back in school, sitting in a busload of kids being taken for a field trip, lol! One of the best field trips I've had in a while!! It was great to see you both settled and looking so happy and well!!
