FOCUSING ON THE INSPIRING RETIREMENT JOURNEY AT YOUR VERVE RESIDENCE

INSPIRED SENIOR LIVING WITH Verve

November 2026

Be Celebrated

Each month we highlight ways we help Verve residents in any of our locations experience the fullness of life in retirement. This month, we're exploring the theme of Be Celebrated!

As We Welcome November

November invites us to pause, reflect, and discover the beauty in each new day.

As the season changes around us, our residence remains a place of warmth, friendship, laughter, and connection. This month, let us look forward with optimism, cherish the memories we have created, and embrace the many moments still to come. May November inspire us to try something new, share a kind word, celebrate one another, and find joy in the simple pleasures that make each day special.

Virmela Carino - Dining Services

Virmela was born in Urdaneta City, in the Philippines. She enjoyed living there as she found it to be a very friendly and tight knit community. Virmela's favourite food is Adobo Chicken with white rice which is savory and slightly sweet indigenous to her hometown.

What is Virmela's inspiration to come to work each day? Well, it's just knowing that her daily work positively impacts the residents lives. She finds fulfillment in making connectons with our residents, bringing joy and laughter while engaging in light conversation. Virmela's hidden talent is quite unique! She can anticipate how the residents are feeling and be very comforting and this helps reduce anxiety and build better bonds.

Outside of work, Virmela enjoys cycling, walking, playing board games, photography and meditation for relaxation.

A Message from our GM Samantha

As we settle into the month of November, we are reminded of the importance of taking time to reflect, remember, and give thanks. Remembrance Day provides us wtih an opportunity to honour the courage, sacrifice, and dedication of those who served and continue to serve our country, ensuring that we never forget the freedoms and peace we enjoy today.

As we look ahead to the holiday season, may this month bring opportunities to connect with one another, cherish special moments with family and friends, and embrace the warmth kindness and sense of community that make Thornebridge Gardens such a special place to call home. Wishing all our residents, families and friends a peaceful and meaningful November.

National Chocolate Day presents our Chocolate Lover's Challenge

Who doesn't love chocolate? Our National Chocolate Day celebration was filled with fun, laughter, and a little chocolate inspired nostalgia! Residents put their taste buds and membories to the test during our Chocolate Lovers Challenge with 15 plates of diffferent chocolate bar pieces on each table to sample and identify. Armed with special hame sheets to record their answers, everyone enjoyed a little brain-tickling fun as they tried to recall the names of familiar chocolate favourites. there were plenty of smiles, lively converstaions, and perhaps a few sweet memories stirred up along the way. To make the afternoon even sweeter, three gigantic chocolate bars were awarded to our lucky winners. It was a delicious afternoon of friendly competition, shared laughter, and the simple joy of enjoying a favourite treat together!

Calling All Bakers!!!
